Re: United States v. Jonathan Skolnick, 19 Cr. 730 (CM)

Dear Judge McMahon:

The parties in the above captioned matter respectfully request that the conference scheduled for April 28, 2021, be adjourned for approximately 30 days. The adjournment would provide the Government time to complete its review of a submission made by the defendant and for the parties to continue to engage in discussions in an attempt to reach a pretrial disposition. In the event the parties are prepared to proceed sooner, we will promptly advise the Court.

The Government respectfully requests that time be excluded under the Speedy Trial Act between April 28, 2021, through the next scheduled conference because the "ends of justice served by the granting of such continuance outweigh the best interests of the public and the defendant in a speedy trial." 18 U.S.C. § 3161(h)(7)(A). The Government consulted with defense counsel, who does not object to the exclusion of time.

Respectfully submitted,
